SUMMARY OF OPPORTUNITY

We require an individual or firm to complete high quality research, analysis, report writing and project management to support ongoing tourism and recreation consulting projects. Successful applicants/firms will be sub-contracted by EMC to complete deliverables that will support EMC's ongoing projects.

QUALIFICATIONS

The ideal candidate/firm will be able to clearly demonstrate past success in the following:

- Excellent research and analysis to support business planning projects. Content knowledge in tourism and recreation is an asset, but not a requirement.
- Preparation of well written reports that clearly explain important information in a succinct manner.
- Project management and delivering under tight timelines.
- Strong business acumen and a logical mindset.
- Capability to work remotely.

COMPENSATION

Compensation will be determined based on the skills and experience of the applicant/firm. Please indicate hourly rates in your submission.
